7.1 SURROUND GAMING HEADSET

HC9046

- TRUE 7.1 SURROUND SOUND
- 6 DISCRETE DRIVERS
- ADJUSTABLE MIC BOOM
- IN-LINE REMOTE CONTROL
- 7 COLOR LED BACKLIGHT

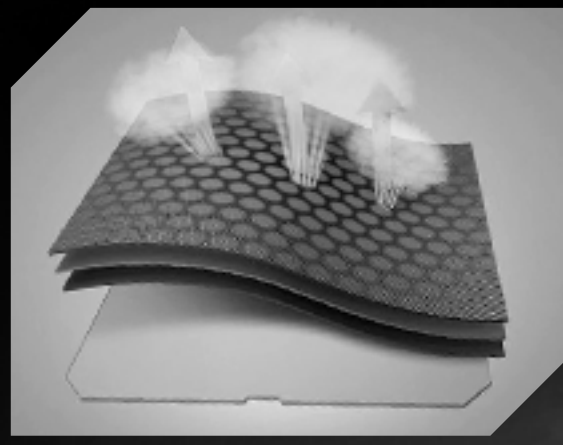

TRUE 7.1 SURROUND SOUND GAMING

6 discrete drivers - 3 in each ear cup - built in to the HC9042 deliver discrete 7.1 surround sound right into your ears. Hear your games come alive in ways you've never heard before and get the jump on your enemies with pinpoint positional accuracy.

BREATHABLE ADJUSTABLE HEADBAND

The breathable adjustable headband perfectly contours across your entire head, comfortably distributing the weight and eliminating pressure points.

7 COLORS BACKLIGHT

7-color backlight with breathing effect, meet the style you like.

OMNIDIRECTIONAL MICROPHONE

Omnidirectional mic is the best suit in gaming, delivering studio-quality voice clarity and background noise cancellation.

GAME FOR HOURS IN COMFORT

With memory foam ear cushions that effortlessly conform to the unique shape of every individual's head, you always enjoy a comfortable fit. In addition, the cushions are lined with special cooling fabric that provide heat transfer with faster sweat evaporation.
