## Dual SIM

Apps. Music. Selfies. All in. Introducing the Nokia 216, with internet connectivity and uninterrupted access to everything you love.

### Key features

- Stay entertained – The new Nokia 216 Dual SIM combines great entertainment features and modern online experiences with an instantly recognizable and familiar user experience. The 2.4" screen is great for internet browsing, taking and viewing pictures, playing videos and gaming
- Internet ready - The Nokia 216 Dual SIM with the Opera Mini Browser allows you access to popular web content. Discover and download more apps and games using the Opera Mobile Store. Share your selfies and important moments with friends and family through Facebook. But the fun doesn't stop there: we've also included one free Gameloft game every month for a year. Game on.
- Enjoy high quality voice calls, outstanding battery life, a built-in torchlight, FM Radio, MP3 and video player, up to 18 hours talk time, up to 19 days standby time, Bluetooth 3.0 and Bluetooth audio support for headsets. Space for up to 2000 contacts.
- Manage your calling, messaging, and data costs with a dual SIM phone. Use the Nokia 216 Dual SIM to get the best deal when you're traveling or to separate personal life from work life.
