Documentation	Quick Start Guides					
100-Word Product Description	The CORSAIR K70 RGB PRO Mechanical Gaming Keyboard delivers an iconic aluminum frame and even better performance, powered by CORSAIR AXON Hyper-Processing Technology and world-renowned CHERRY MX mechanical keyswitches. Win in style with dynamic per-key RGB backlighting, easy to take on the go with a detachable USB Type-C cable. Powerful iCUE software on both PC and macOS enables custom macro programming, key remaps, and more, while dedicated media keys and an aluminum multi-function volume roller offer convenient control over media. With a tournament switch for instant compliance with competition guidelines and onboard storage for up to 50 profiles, the K70 RGB PRO is ready to take on any challenge.					
50-Word Product Description	The CORSAIR K70 RGB PRO Mechanical Gaming Keyboard delivers an iconic aluminum frame and even better performance, powered by CORSAIR AXON Hyper-Processing Technology and world-renowned CHERRY MX mechanical keyswitches. Win in style with dynamic per-key RGB backlighting, easy to take on the go with a detachable USB Type-C cable.					
25-Word Product Description	The CORSAIR K70 RGB PRO Mechanical Gaming Keyboard delivers an iconic aluminum frame and even better performance, powered by CORSAIR AXON Hyper-Processing Technology.					
Product Features (Style 1)	 The K70 RGB PRO retains the iconic elements of the award-winning K70 RGB with a durable aluminum frame, CHERRY MX mechanical keyswitches, and per-key RGB backlighting, while setting a new bar for performance with AXON technology, PBT double-shot keycaps, and a tournament switch. CORSAIR AXON Hyper-Processing Technology enables a new level of K70 performance, processing and transmitting your inputs up to 8x faster than conventional gaming keyboards with 8,000Hz hyper-polling, 4,000Hz key scanning, and up to 20 layers of hardware RGB lighting processing while maintaining speed performance.
