This diagram shows an exploded perspective view of a three-sided enclosure assembly. It includes a base panel (1) and two vertical side panels (2 and 3). The base panel (1) is a square plate with mounting holes and a central circular feature. The side panels (2 and 3) are rectangular plates with mounting holes and a central circular feature. The assembly is shown with various fasteners (screws, bolts, and nuts) and a hinge mechanism (921) connecting the side panels to the base panel. A label 927 points to a specific fastener on the side panels. A label 222 points to a hinge mechanism on the side panel (2).
