A schematic diagram of a 3D printing setup. It features two extruders, labeled 'A' and 'C', positioned above a rectangular heated bed. Extruder 'A' is on the left, and extruder 'C' is on the right. Both extruders are shown with a hand holding a filament spool. The heated bed is represented by a rectangular frame with a central area labeled '1'. The extruders are connected to the bed by lines, indicating the printing process. The diagram is labeled with 'A' and 'C' for the extruders and '1' for the heated bed.
