The diagram consists of four numbered steps illustrating the assembly of a window blind into a frame:

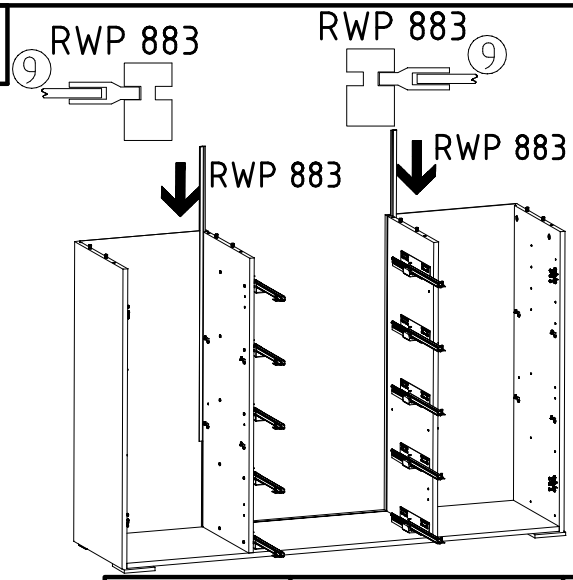

- Step 1:** Shows the blind being inserted into the frame. The frame has two vertical rails, labeled 'A' and 'B', which are connected by horizontal slats. The blind is shown being pushed into the frame.
- Step 2:** Shows the blind being folded. An arrow points upwards, indicating the direction of movement. The text 'A + B' is written below the blind, suggesting the combination of the two rails.
- Step 3:** Shows the blind being folded into a 'Z' shape. The text 'A + B' is written below the blind, suggesting the combination of the two rails.
- Step 4:** Shows a warning symbol (a triangle with an exclamation mark) and a circular area around the blind. This indicates a warning against using tools or force to install the blind.
