Diagram 348 shows the top view of the lock assembly. It features a circular dial on the left side of a rectangular body. Below the dial are four screws. To the right of the dial is a small rectangular protrusion. Below this protrusion are three screws. The entire assembly is mounted on a base plate.

Diagram 347 shows the side view of the lock assembly. It features a rectangular body with a circular dial on the left side. An arrow points to the dial with the label "SAFE". The assembly is mounted on a base plate.
