GB Safety instructions

The triangle reminds you during the installation of the following notes. 

1 Assembly must be carried out by qualified personnel. If it is not carried out correctly, the product may tip over or fall, damaging people or things. Because there are walls of different materials, the screws for fixing to the wall are not including. To choose the right fastening accessories, contact a local dealer.

12 Ensure that children do not put any small parts such as nuts, caps or the like in their mouth. They could swallow and choke on them.

13 When assembling the product, please proceed with caution and comply with the assembly instructions.

I Avvisi di sicurezza
