DE Sehr geehrter Kunde,

bitte halten Sie sich bei der Schrankmontage genau an die Aufbauanleitung, da die Garantie nur dann gewährleistet ist. Zur Montage bitte eine weiche Unterlage benutzen (Decke) zum Schutz vor Kratzern. Bitte Montageanleitung aufbewahren!

IT Gentile cliente,

La preghiamo di attenersi strettamente alle istruzioni per l'uso durante il montaggio dell'armadio, poiché solo in tal modo è data la garanzia. Per il montaggio si prega di utilizzare un appoggio di base (coperta) per la protezione contro i graffi. Prego conservare le istruzioni per il montaggio!

FR Cher client,

Veillez respecter scrupuleusement la notice de montage du meuble, car la garantie est valable uniquement dans ce cas. Pour effectuer le montage, utilisez un support doux (couverture) pour protéger le meuble contre les éraflures. Conservez soigneusement la notice de montage !

GB Dear Customer,

Please adhere strictly to the assembly instructions when installing the unit, as only then does the guarantee apply. Please use a soft surface for installation (e.g. a blanket) in order to avoid scratches. Please keep the assembly instructions in a safe place!

NL Geachte klant,

Volg altijd de aanwijzingen in deze montage-instructie bij de montage van de kast, alleen dan wordt garantie verleend. Gebruik bij de montage altijd een zachte onderlaag (deken) ter voorkoming van krassen. Bewaar de montage-instructie goed!

HR Cijenjeni kupče,

molimo držite se točno uputstva za montažu kad montirate ormar, jer je samo u tom slučaju garancija zajamčena. Koristite mekanu podlogu (pokrivač) za montažu, kao zaštitu od ogrebotina. Molimo sačuvajte uputstvo za montažu!

SI Spoštovani,

pri montaži omare natančno upoštevajte navodila za montažo, ker je to pogoj za veljavnost garancije. Pri montaži uporabljajte mehko podlago (odejo) za zaščito pred opraskanjem. Navodila za montažo shranite!

HU Tisztelt Vásárlónk!

Kérjük, a szekrény összeszerelésénél pontosan tartsa be a felépítési utasítást, mivel csak ebben az esetben biztosított a garancia. A szerelést az összekarcolódás elkerülésére puha alapon (pl. takarón) végezze. A szerelési utasítást gondosan őrizze meg!

CZ Vážený zákazníku,

SK Vážený zákazník,

prosíme, aby ste pri montáži skrine presne dodržiavali návod na montáž, pretože len tak bude poskytnutá záruka. Na montáž použite mäkkú podložku (deku), aby ste nábytok chránili pred poškriabaním. Prosíme, uschovajte si návod na montáž!

RU Уважаемый клиент,

обязательно применяйте при монтаже шкафов точно инструкцию по сборке, иначе аннулируется гарантия. Для монтажа воспользуйтесь дополнительной мягкой поверхностью (одеялом) для защиты от царапин. Инструкции по установке сохранять!

PL Szanowny Kliencie!

Podczas montażu szafki należy ściśle przestrzegać dołączonej instrukcji, aby zachować ważność gwarancji. Montaż należy wykonać na miękkim podłożu (koc) w celu ochrony przed zarysowaniem.

TR Sayın müşterimiz,

dolapların montajı sırasında kurma kılavuzuna lütfen titizlikle uyun. Ancak bu durumda garanti sağlanabilir. Çizikleri önlemek için montaj sırasında lütfen yumuşak bir altlık (örtü) kullanın.

RO Stimate client,

vă rugăm să respectați cu strictețe instrucțiunile de montare în timpul asamblării dulapului, garanția acordându-se numai în acest caz. Pentru montare folosiți un suport moale (pătură) pentru a proteja mobilierul împotriva zgârierii.
